

PAUL KELLEY III GRAPHIC DESIGN, WEB DESIGN, IDENTITY & ILLUSTRATION

OBJECTIVE

To obtain a fulltime position in the field of Graphic Design. I am focused on putting together a career that would highlight the skills I've learned at college and throughout my young career. I am always looking to improve on my base skills in graphic design by learning such things as web design, photography, and multimedia design. I've also improved my business acumen by taking on management responsibilities at my current fulltime employer.
